DR. EARTH
FINAL STOP
INSECT CONTROL
Pet Spray

Final Stop® Pet Spray is a water-based essential oil product that helps protect pets from biting insects. Lasts for hours and leaves their coat smooth and dry!

SAFE & NON TOXIC
SHAKE WELL BEFORE USE!

Directions For Use:

Dogs: Hold bottle 8-10 inches away and apply a light mist and massage into coat. Spray onto a soft cloth or hands to apply to face and ears.

Outdoor Cats: Spray only between shoulders as cats are self-groomers and ingesting any type insect deterrent is not advisable.

Inside Cats: Application may not be needed unless fleas or ticks are visible.

Horses: Brush animal to remove excess dirt and dust. Hold 8-10 inches from horse and apply down legs to the hooves, flanks, topline and other areas commonly attacked by mosquitoes and flies. Brush against the coat's grain for penetration. Spray onto a soft cloth or hands to apply to horse's face and ears.

Chickens: Hold 8-10 inches away and lightly mist the back of the birds.

Animals Quarters: Spray around outside of door facings, screens, bedding and anywhere insects congregate to render the area unattractive to insects. This will help deter insects and help to prevent entrance into the inclosure. Reapply as needed.

CONDITIONS OF SALE: Dr. Earth, Inc. warrants that this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with the directions under normal conditions of use. In the event of a defect, the consumer is limited to repair or replacement of the Purchased Product.
