## Product Information

PLANT RX is a unique and innovative Thyme oil extract based product. It is a 100% biodegradable broad spectrum contact and systemic liquid bactericide, fungicide, and virucide for use in all crops .

## Directions for Use

Dilute into water at a ratio of 0.5% (2 qt/100 gal) to 0.125% (1 pint/100gal). Do not exceed 0.25% (1qt/100gal) on newly planted crops or crops with a thin lead wax layer such as tomatoes and cucurbits.

Plant RX is a tank mixable with most other chemicals. Do not mix with peroxides and/or sulfonated fungicides which may cause phytotoxicity. It can also be used at any time, including harvest day. Always perform a capability jar test prior to mixing other chemicals. If tank mixing with hard water, lower pH with a pH buffer (acid) to 4 prior to adding Plant RX. **SHAKE WELL BEFORE USE.**

## PRECAUTIONARY STATEMENTS

Precaution: Avoid getting in eyes, on skin, or on clothing. **Plant RX requires the use of shield safety glasses and gloves.** Harmful if swallowed.

**First aid:** If skin contact occurs, remove contaminated clothing and wash with large amounts of soap and water. If in contact with eyes, rinse repeatedly with clean water for 15 minutes. Obtain medical attention for any persistent irritation.

## STORAGE AND DISPOSAL

**Storage:** Keep container sealed tightly when not in use. Store product in a cool location away from direct sunlight and in temperatures between 41°F (5°C) and 77°F (25°C).

**Container Disposal:** Dispose of waste material in accordance with federal, state, and local environment laws and regulations.

**PLANT RX is exempt from EPA registration under FIFRA 25(B)**

Seller warrants that this product conforms to the chemical description on the label and is reasonably fit for purposes stated on the label when used in accordance with directions under normal use and conditions. Crop injury, inefficacy, or other unintended consequences may result from factors such as weather conditions, presence of other materials, or the manner of use or application which is beyond the control of seller. In no case shall seller or its affiliates be liable for consequential, special, or indirect damages which result from the use, handling, or shipping of this product. No warranty is expressed or implied, including warranty of merchantability or fitness for a particular purpose.
