

Fruit & Veggie Fertilizer

Safety Data Sheet

Date of revision: March 2023

Section 1: Identification

Product Name : Arber Fruit & Veggie Fertilizer

Recommended Use : Fertilizer

Manufacturer Information : Reforestation Technologies International
5355 Monterey Frontage Road
Gilroy, CA 95020
(408) 848-9604 | www.reforest.com

Section 2: Hazard(s) Identification

Hazard Class : Serious eye damage/irritation Category 2A. H319

Hazard Statement : Not applicable

Precautionary Statement: : None established

Section 3: Composition/Information on Ingredients

Common Name : From the Arber product line:
Arber Fruit & Veggie Fertilizer

Chemical Abstracts Services (CAS) :

Ingredient Name	CAS #	%
Chicken Manure	N/A208	70-80%
Animal Tissue	90640-79-2	10-15%
Water	7732-18-5	5-10%
Calphos	10035-04-8	5-10%
Potassium Magnesium Sulfate	14977-37-8	1-5%
BioChar	16291-96-6	1-5%

Section 4: First-Aid Measures

Inhalation : Do not inhale. Excessive dust concentrations may cause unpleasant deposit/obstructions in the nasal passages, resulting in dryness of nose, dry cough, and headaches.

Skin Contact : Minimal - no incidents or irritation to skin reported. Wash thoroughly with soap and water. Seek medical attention if rash appears.

Eye Contact : Ingredients may irritate eyes. Flush thoroughly with water. Seek medical attention if irritation persists.

- Ingestion : Do not induce vomiting without medical advice. Rinse mouth. Never give anything by mouth to an unconscious person. Seek medical physician if symptoms persist.
- Recommendations : For health emergencies, call your local Poison Control Center. Provide general supportive measures and treat symptomatically.

Section 5: Fire-Fighting Measures

- Extinguishing Equipment : Water, sand, or fine earth. Steam smothering can be used in relatively small enclosures. Material is essentially non-flammable.
- Hazardous Combustion : Product is non-reactive under normal conditions of use
- Special Protective Equipment : Wear full protective clothing and self-contained breathing apparatus. A NIOSH/MHSA approved respirator is recommended when the allowable exposure limits may be exceeded. Use agents appropriate to surrounding materials to extinguish fire. Evacuate downwind if large quantities are involved in fire.

Section 6: Accidental Release Measures

- Emergency Procedures : Sweep up and scoop into container for reuse, recycle, or disposal. Keep out of all waterways.
- Cleanup Procedures : Apply to field. If product is contaminated, dispose of in an approved landfill disposal facility in accordance with applicable federal, state, provincial, or local regulations.

Section 7: Handling and Storage

- Safe Handling : Wear mask when handling. Avoid prolonged or repeated exposure.
- Safe Storage : Store in cool, ventilated area away from heat. Keep product out of reach of children.

Section 8: Exposure Controls/Personal Protection

- Engineering Controls : Not applicable.
- Recommendations : Handle product in well ventilated area. Wear goggles or safety glasses, impervious gloves and protective clothing.

Section 9: Physical and Chemical Properties

- Appearance : Earthy-toned granules
- Odor : Slightly earthy aroma
- Color : Earthy-toned (browns, greys)
- pH : Not applicable
- Melting point/freezing point : Not applicable
- Flash point : Not applicable
- Evaporation point : Not applicable
- Flammability (solid gas) : Not applicable
- Upper/lower flammatory, explosive limits : Not applicable
- Vapor pressure : Not applicable
- Relative density : Not applicable
- Solubility : Not applicable
- Auto-ignition temperature : Not applicable

Decomposition temperature : Not applicable
Viscosity : Not applicable

Section 10: Stability and Reactivity

Chemical Stability : Stable.
Incompatible Materials: : Strong acids. Strong bases.

Section 11: Toxicology Information

Acute and Chronic Toxicity : No significant concern.
Carcinogenicity : No significant concern.

Section 12: Ecological Information

Ecotoxicity : Insignificant.
Aquatic Toxicity : Insignificant.

Section 13: Disposal Concerns

Recommendations on Disposal: If material is released or spilled, sweep up and scoop into container for reuse, recycling, or disposal. Keep out of all waterways. Apply as soil amendment to field. If product is contaminated, dispose of in an approved landfill disposal facility in accordance with federal, state, provincial or local regulations.

Section 14: Transport Information (non-mandatory)

UN number : Not applicable.
Un proper shipping name : Not applicable.
Transport hazard class : Not applicable.
Packing group number : Not applicable.
Environmental hazards : Not applicable.
Guidance on transport in bulk : Not applicable.

Section 15: Regulatory Information (non-mandatory)

Specific State Regulations : This product is not regulated by any known government agency as hazardous.

Section 16: Other Information

Date of revision: March 2023

Notice concerning this safety data sheet (SDS):

The information contained herein is offered only as a guide to the handling of these specific materials. Since such information does not relate to use of the material with any other material or in any process, any person using this information must determine for himself its suitability for any particular application. The buyer and user assume all risk and liability of use, storage, and/or handling of this product not in accordance with terms of the product label.
